

Creed - My Own Prison

Tom: F

CHORDS:

```

-----
      DADGBE          DADGBE
D (00023x)  Eb (1113xx)
F (3335xx)  Bb (x133xx)
E (2224xx)  C (x355xx)
  
```

This song uses Drop-D tuning. Drop your low E string down two notes to D. From low to high: DADGBE

I've figured out the slide I was talking about in the acoustic version. First you play the D chord as usual (see MAIN-RIFF) then you play the first F chord like this:

TAB SYMBOLS USED IN THIS TAB:

```

h = hammer-on
b = bend note
\ = slide down
  
```

MAIN-RIFF:

b = bend note slightly

Intro: -----
[Play MAIN-RIFF twice]

VERSE 1: [play MAIN-RIFF twice]

Court is in session
a verdict is in
No appeal on the docket today
Just my own sin
The walls are cold and pale
On the cage made of steel
Screams fill the room
Alone I drop and kneel

VERSE 2: [play MAIN-RIFF once, then MAIN-RIFF-VARIATION (below) once]

Silence now the sound
My breath the only motion around
Demons cluttering around,
My face showing no emotion
Shackled by my sentence
Expecting no return
Here there is no penence
My skin begins to burn

[The last time you play the MAIN-RIFF in the verse before going into the chorus you play it like this:]

CHORUS: [see tab for D chord below]

```

-----
      F                      E
(And I said ooooooooooooooh...)
      So I held my head up high
      Eb
Hiding hate that burns inside
      D
Which only fuels their selfish pride
      F                      E
(And I said ooooooooooooooh...)
      We're all held captive out from the sun
      Eb
A sun that shines on only some
      D
  
```

We the meek are all in one

[Whenever you play a D in the chorus, you play it like this:]

[Play MAIN-RIFF once]

VERSE 3: [play MAIN-RIFF twice]

I hear a thunder in the distance
See a vision of a cross
I feel the pain that was given
On that sad day of loss
A lion roars in the darkness
Only he holds the key
A light to free me from my burden
And grant me life eternally

PRE-CHORUS: [see tab below, play with distortion]

Should have been dead
On a sunday morning
Banging my head
No time for mourning
Ain't got no time
Should have been dead
On a sunday morning
Banging my head
No time for mourning
Ain't got no time

TAB FOR PRE-CHORUS: [basically the MAIN-RIFF with a few changes]

CHORUS: [play like first chorus]

```

-----
So I held my head up high
Hiding hate that burns inside
Which only fuels their selfish pride
We're all held captive out from the sun
A sun that shines on only some
We the meek are all in one
  
```

GUITAR-SOLO:

BRIDGE:

```

-----
      F
I cry out to God
      C          D
Seeking only his decision
      Bb
Gabriel stands and confirms
      F          C          D          Bb
I've created my own prison
  
```

[the crowd sings the next three lines]

```

      F
I cry out to God
      C          D
Seeking only his decision
      Bb
Gabriel stands and confirms
      F          C          D          Bb
I've created my own prison
  
```

CHORUS: [play like first and second choruses]

```

-----
So I held my head up high
Hiding hate that burns inside
Which only fuels their selfish pride
We're all held captive out from the sun
A sun that shines on only some
  
```

We the meek are all in one

We're all held captive out from the sun

CHORUS/OUTRO:

A sun that shines on only some

(And I said ooooooooooooooh...)
So I held my head up high

Hiding hate that burns inside

Which only fuels their selfish pride

(I've created, I've created, I've created, I've created my own prison)

A sun that shines on only some

We the meek are all in one

Should have been dead on a sunday morning banging my head

No time for mourning, ain't got no time

Should have been dead on a sunday morning banging my head

No time for mourning, ain't got no time
