

# Creed - My Own Prison

Tom: F

## CHORDS:

```

-----
      DADGBE          DADGBE
D (00023x)  Eb (1113xx)
F (3335xx)  Bb (x133xx)
E (2224xx)  C (x355xx)
  
```

This song uses Drop-D tuning. Drop your low E string down two notes to D. From low to high: DADGBE

I've figured out the slide I was talking about in the acoustic version. First you play the D chord as usual (see MAIN-RIFF) then you play the first F chord like this:

## TAB SYMBOLS USED IN THIS TAB:

```

h = hammer-on
b = bend note
\ = slide down
  
```

## MAIN-RIFF:

b = bend note slightly

Intro: -----  
[Play MAIN-RIFF twice]

## VERSE 1: [play MAIN-RIFF twice]

Court is in session  
a verdict is in  
No appeal on the docket today  
Just my own sin  
The walls are cold and pale  
On the cage made of steel  
Screams fill the room  
Alone I drop and kneel

VERSE 2: [play MAIN-RIFF once, then MAIN-RIFF-VARIATION (below) once]

Silence now the sound  
My breath the only motion around  
Demons cluttering around,  
My face showing no emotion  
Shackled by my sentence  
Expecting no return  
Here there is no penence  
My skin begins to burn

[The last time you play the MAIN-RIFF in the verse before going into the chorus you play it like this:]

## CHORUS: [see tab for D chord below]

```

-----
      F                      E
(And I said ooooooooooooooh...)
      So I held my head up high
      Hiding hate that burns inside
      Which only fuels their selfish pride
      (And I said ooooooooooooooh...)
      We're all held captive out from the sun
      A sun that shines on only some
  
```

We the meek are all in one

[Whenever you play a D in the chorus, you play it like this:]

[Play MAIN-RIFF once]

VERSE 3: [play MAIN-RIFF twice]

I hear a thunder in the distance  
See a vision of a cross  
I feel the pain that was given  
On that sad day of loss  
A lion roars in the darkness  
Only he holds the key  
A light to free me from my burden  
And grant me life eternally

PRE-CHORUS: [see tab below, play with distortion]

Should have been dead  
On a sunday morning  
Banging my head  
No time for mourning  
Ain't got no time  
Should have been dead  
On a sunday morning  
Banging my head  
No time for mourning  
Ain't got no time

TAB FOR PRE-CHORUS: [basically the MAIN-RIFF with a few changes]

CHORUS: [play like first chorus]

```

-----
So I held my head up high
Hiding hate that burns inside
Which only fuels their selfish pride
We're all held captive out from the sun
A sun that shines on only some
We the meek are all in one
  
```

GUITAR-SOLO:

## BRIDGE:

```

-----
      F
I cry out to God
      C          D
Seeking only his decision
      Bb
Gabriel stands and confirms
      F          C          D          Bb
I've created my own prison
  
```

[the crowd sings the next three lines]

```

      F
I cry out to God
      C          D
Seeking only his decision
      Bb
Gabriel stands and confirms
      F          C          D          Bb
I've created my own prison
  
```

CHORUS: [play like first and second choruses]

```

-----
So I held my head up high
Hiding hate that burns inside
Which only fuels their selfish pride
We're all held captive out from the sun
A sun that shines on only some
  
```

We the meek are all in one

We're all held captive out from the sun

CHORUS/OUTRO:

A sun that shines on only some

(And I said ooooooooooooooh...)  
So I held my head up high

We the meek are all in one

Hiding hate that burns inside

Should have been dead on a sunday morning banging my head

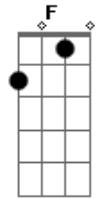

Which only fuels their selfish pride

No time for mourning, ain't got no time

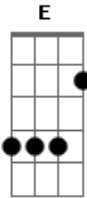

(I've created, I've created, I've created, I've created my own prison)

Should have been dead on a sunday morning banging my head  
No time for mourning, ain't got no time
