Creed - Rain
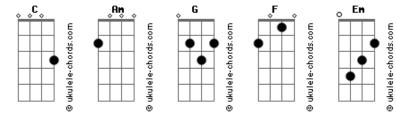

Tom: C

(intro) C Am G F

(verse 1)

C   Am   G   F
Can you help me out, can you lend me a hand?
F
It's safe to say that I'm stuck again
C   Am   G
Trapped between this life and the light
        F
I just can't figure out, how to make it right...
   Am   G
A thousand times before
      Am   F
I've wondered if there's something more... something more...

(chorus)
                C2   C
I feel it's gonna rain like this for days
                    F   Em
So let it rain down and wash everything away
              C2   C
I hope that tomorrow the sun will shine
           F   C
With every tomorrow comes another life...

(bridge)
                  C   Am   G   F
I feel it's gonna rain,   for days and days

(I feel it's gonna rain)

(verse 2)
C   Am   G   F
I tried to figure out, I can't understand...
F
What it means... to be whole again...
C   Am   G   F
Trapped between the truth and the consequence
F
Nothing's real, nothing's making sense...

        Am   G
A thousand times before
        Am   F
I've wondered if there's something more... something more...

(chorus)
                C2   C
I feel it's gonna rain like this for days
                    F   Em
So let it rain down and wash everything away
              C2   C
I hope that tomorrow the sun will shine
                    F   Em   F
I feel it's going to rain like this... rain like this... rain
G
like this...

(verse 3)
Am   F   C2   G
Fall down, wash away my yesterdays
Am   F   C2   G
Fall down, so let the rain fall down on me...

(chorus)
                C2   C
I feel it's gonna rain like this for days
                  F   Em
Let it rain down and wash everything away
              C2   C
I hope that tomorrow the sun will shine
                    F   Em
I feel it's going to rain like this... rain like this...

(outro chorus)
              C2   C
So let the rain fall...
                      F   Em
I feel it's gonna rain this... rain like this...
                C2   C
So let the rain fall down...
                        F
I feel it's gonna rain like this...
                              C
I feel it's gonna rain.
