

Creed - Weathered

Tom: **E**

Afinação: DADAD**D**

Intro: /Verso -

I lie awake on a long, dark night
 I can't seem to tame my mind
 Slings and arrows are killing me inside
 Maybe I can't accept the life that's mine
 No I can't accept the life that's mine

Verso -

Simple living is my desperate cry
 Been trading live with indifference yeah it suits me just fine
 I try to hold on but I'm calloused to the bone
 Maybe that's why I fell alone
 Maybe that's why I feel alone

0:54 \"Maybe I can't accept the life that's mine . . .\"

Me..I'm rusted and weathered
 Barely holding together
 I'm covered with skin that peels and it just won't heal

The sun shines and I can't avoid the light
 I think I'm holding on to life too tight
 Ashes to ashes and dust to dust
 Sometimes I feel like giving up
 Sometimes I feel like giving up

Refrão - \"Me . . .I rusted and weathered . . .\"

The day reminds me of you
 The night hides your truth
 The earth is a voice
 Speaking to you
 Take all this pride
 And leave it behind
 Because one day it ends
 One day we die
 Believe what you will
 That is your right
 But I choose to fight
 So I choose to fight
 To fight

\"Won't heal . . .\"

Verso 2 - (com distorção)
