

Creedence Clearwater Revival - Born On The Bayou Intro

Tom: **D**

For this intro, you have to use a capo in the 4th fret, if u don't have one, you just make a **C7** starting in the fifth fret.

And that's it, this ain't a hard song, you just have to practice.

By the way, this is my first tab but it sound good.

Kenneth Cerda. Managua, Nicaragua
