

Creedence Clearwater Revival - Sometimes

Tom: G

música da carreira solo do Tom Fogerty.

Intro: D D7 G G

CHORUS:

Wo oh oh sometimes, I think the 60s were better
 We were all bound together; I thought that was true
 And I know we can't go back, yes I know we can't go back
 But we'd better make sure that we never forget

Verse 1:

Every generation thinks they've got the answer
 Every generation thinks they've got the news

All I ever hear is Iran, coke, and Nicaragua
 We go 'round in circles just like monkeys in a zoo

(chorus)

Verse 2:

I used to be against the war when I was younger
 I used to carry signs that said "Love, peace today"
 All the little children that I'd meet, I'd tell them
 "Just take all the guns and bombs and throw them all away"

(chorus)

(chorus; instrumental in place of "I think the 60s...thought that was true")

(repeat chorus and fade)
