

# Creedence Clearwater Revival - Wish I Could Hideaway

Tom: C  
 Intro: Gm F  
 Howdy, friend, beggin' your pardon,  
 Is there somethin' on your mind?  
 You've gone and sold all your belongings,  
 Is that something in your eye?

Well, I know you really never  
 Liked the way it all goes down,  
 Go on, hide|---away.

Verso:  
 What's that you say?  
 We're all bound for the graveyard,  
 Oooh, I wish you well.  
 Think it's gonna rain,  
 Oh, what's the diff'rence,  
 Is there some way I can help?

Bm D

'Cause you know, I'm gonna miss you  
 When you're gone, oh, Lord,  
 Wish I could hide|---away

Hold on, give yourself a chance,  
 I can hear the leavin' train.

Verso:  
 All aboard, goodbye, goodbye, goodbye  
 Oh, I wish you well.  
 See you soon, maybe tomorrow  
 You can never tell

'Cause you know, I'm gonna miss you  
 When you're gone, oh,  
 Wish I could Hideaway

Hideaway, hideaway, hideaway, hideaway.  
 Hideaway, hideaway, hideaway, hideaway.
