

# Creedence Clearwater Revival - (Wish I Could) Hideaway

Tom: G

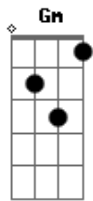

Howdy, friend, beggin' your pardon,  
 Is there somethin' on your mind?  
 You've gone and sold all your belongings,  
 Is that something in your eye?  
  
 Well, I know you really never  
 Liked the way it all goes down,  
 Go on, hide...away.  
 What's that you say? We're all bound for the graveyard,  
 Oooh, I wish you well.  
 Think it's gonna rain, oh, what's the diff'rence,  
 Is there some way I can help?  
  
 'Cause you know, I'm gonna miss you

When you're gone, oh, Lord,  
 Wish I could hide...away  
  
 Hold on, give yourself a chance,  
 I can hear the leavin' train.  
  
 All aboard, goodbye, goodbye, goodbye  
 Oh, I wish you well.  
 See you soon, maybe tomorrow  
 You can never tell  
  
 'Cause you know, I'm gonna miss you  
 When you're gone, ooh,  
 Wish I could Hideaway  
 Hideaway, hideaway, hideaway, hideaway.  
 (C G)  
 Hideaway...
