

Creedence Clearwater Revival - (Wish I Could) Hideaway

Tom: G

Howdy, friend, beggin' your pardon,
 Is there somethin' on your mind?
 You've gone and sold all your belongings,
 Is that something in your eye?

 Well, I know you really never
 Liked the way it all goes down,
 Go on, hide...away.
 What's that you say? We're all bound for the graveyard,
 Oooh, I wish you well.
 Think it's gonna rain, oh, what's the diff'rence,
 Is there some way I can help?

 'Cause you know, I'm gonna miss you

When you're gone, oh, Lord,
 Wish I could hide...away

 Hold on, give yourself a chance,
 I can hear the leavin' train.

 All aboard, goodbye, goodbye, goodbye
 Oh, I wish you well.
 See you soon, maybe tomorrow
 You can never tell

 'Cause you know, I'm gonna miss you
 When you're gone, ooh,
 Wish I could Hideaway
 Hideaway, hideaway, hideaway, hideaway.
 (C G)
