

Cristiano Nogueira - Forma do Amor

tom:

Intro: C Bb C Bb

Qual a forma do amor da vida?

Qual a hora, tamanho ou cor?

Reconheça, o abraçe e transforme

Mas o ame do jeito que for

E da forma que me receberes

Dessa forma eu amo você

Quero a forma que a vida nos der

Fazer planos, gostar de viver

(C Bb C Bb)

Prosseguir no formato da vida

Minha forma sublime de amar

Ser contigo e estar ao seu lado

No formato que a vida tomar

Pois contigo refaço a vida

Com você vou a qualquer lugar

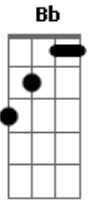

Pra fazer todo sonho possível

E se preciso for, esperar
