

Cristo Alegria - Iluminada Hóstia

Tom: C

m (com acordes na forma de Am)
 Capotraste na 3ª casa

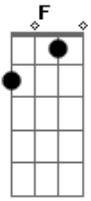

E fico assim sem saber dizer
 Com palavras, somente em lágrimas
 E canções o que a alma clama
 O que grita minha garganta
 Pra sossegar meu coração

Água de um rio de perdão
 Se une ao fogo em oblação
 Acende em mim uma verdadeira adoração
 Fonte da vida
 Consolo da alma
 Verbo sublime
 Minha iluminada Hóstia
