

Crosby, Stills and Nash - Carried Away

tom:
Intro: Am Dm G
C G Am

Am Dm
You came from out of the skies

Your skin and your eyes

The colours of bronze

The moon in your ear

Twinkled and shone

Soon you'll be gone

Am Dm
Sailing out on the blue

Your old man and you

Drifting along

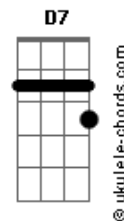

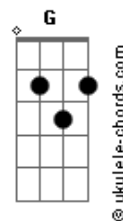

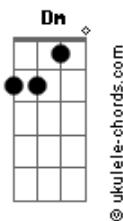

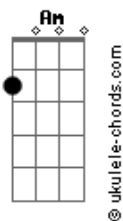

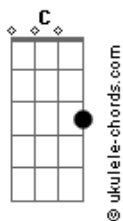

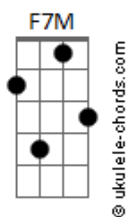

G Am
Leaving me here

Thinking it through

Soon you'll be gone

D7 F7M
Moving through my changes as fast as I can

Acordes

D7 F7M
Trying to bring a balance to me and the man

D7 G
Part of me is screaming to say

I want to be carried away
