

Crosby, Stills and Nash - Carried Away

tom:
Intro: Am Dm G
C G Am

Am Dm
You came from out of the skies
Your skin and your eyes
The colours of bronze
The moon in your ear
Twinkled and shone
Soon you'll be gone

Am Dm
Sailing out on the blue
Your old man and you
Drifting along
Leaving me here
Thinking it through
Soon you'll be gone

D7 F
Moving through my changes as fast as I can

Acordes

D7 F
Trying to bring a balance to me and the man
D7 G
Part of me is screaming to say
Am
I want to be carried away
