

Crosby, Stills and Nash - Shadow Captain

Tom: A

Oh Captain, What Are We Hiding From?
 You've Been Hiding From The Start Did Some Lover Steal Your Heart,
 Or Did The Full MoNn Make You Mad?
 h Captain, Why These Speechless Seas
 That Never Come To Land? Oh I Need To Understand.
 Could A Little Light Be That Bad?
 (E Dbm D E A Bm E) (2x)

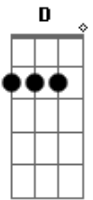

I Can See Your Hands Are Roughened By The Wheel And The Rope.
 I'd Like To Look To You For Hope, I Think It's Hiding There.
 This Boat Is Blacked Out Like A City
 Awaiting Bombers In The Night Oh You Hd Your Helm So Tight
 And Yet The Sky Seems So Fair.
 Who Guides This Ship. Dreaming Through The Seas
 Turning And Searching, Whichever Way You Please?
 Speak To Me, I Need To See Your Face,
 Shadowy Captain, In A Darkened Space.

(E Dbm D E A Bm E) (2x)
 If I Were To Spy A City Floating Just Above The Sea,
 Could We Stop And Look For Me Among Those Playing On The Pier?
 Or Would You Turn Away Knowing,
 It Was Still A Ways Away, And If I Was There Today
 You Could Not See Me All That Clear
 Who Guides This Ship. Dreaming Through The Seas
 Turning And Searching, Whichever Way You Please?
 Speak To Me, I Need To See Your Face,
 Shadowy Captain, In A Darkened Space.
 (E Dbm D E A Bm E) (2x)
