

# Crosby, Stills and Nash - Wasted On The Way

Tom: C

Look around me - I can see my life before me  
 Running rings around the way it used to be  
 I am older now - I have more than what I wanted  
 But I wish that I had started long before I did  
 And there's so much time to make up everywhere you turn  
 Time we have wasted on the way  
 So much water moving underneath the bridge  
 Let the water come and carry us away  
 Oh, when you were young, did you question all the answers  
 Did you envy all the dancers who had all the nerve

Look around you now - you must go for what you wanted  
 Look at all my friends who did and got what they deserved  
 And there's so much time to make up everywhere you turn  
 Time we have wasted on the way  
 So much water moving underneath the bridge  
 Let the water come and carry us away  
 So much love to make up everywhere you turn  
 Love we have wasted on the way  
 So much water moving underneath the bridge  
 Let the water come and carry us away  
 Let the water come and carry us away-----
