

Crowded House - I Walk Away Intro

Tom: **D**

Tabbed by: John Grunwell
 Email: mahajohnathotmaildotcom

Tuning: **E A D G B E**

(palm mute throughout the phrase, but accent chords by momentarily relaxing the mute)

(the muted **B** on the **A** string should barely register as a pitch, just the clicking of a pick against taught metal)

```

e|-----|
----|
B|-----3--2-----2-
---3-|
G|-----4--2-----2-
-2--2-|
D|-----4--2-----2-
-2--0-|
A|---X--X--X--X--2--0--0--0--0--0--0--0--0--0--0--0--0--0---|
E|-----|
----|
    
```

(the 2nd and 3rd go around [with the vocals] repeat this progression, but the final phrase ends like this...)
