Delay, distortion, rythmic.

Mark plays

B **A**

A **E**

B **A**

Dbm **Ab**

After neil plays that twice the second guitar kicks in playing:

SOLO:

repeat above then

PRE CHORUS

Neil plays the power chords (high on the neck) while Mark plays what is below

And the clouds, they are crying on you

And the birds are offering up their tunes

In a shack as remote as a mansion

you escape into a place where nothing moves

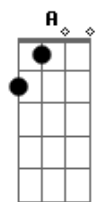

Just pick this next bit randomly.

Twin valleys shine in the morning sun

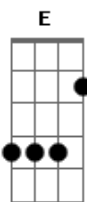

I send a message out to my only one

Ending
