

Crowded House - There Goes God

Tom: C

From: (Marck Bailey)
 {subtitle:N. Finn/T. Finn}
 Intro: GUITAR:

What'll I tell him
 When he comes to me for absolution
 Wouldn't you know it
 Hope I don't make a bad decision
 Cos I'd like to believe
 There is a god
 Why sinful angels suffer for love
 I'd like to believe
 In the terrible truth in the beautiful lie
 Like to know you

But in this town I can't get arrested
 If you know me
 Why don't you tell me what I'm thinking
 Hey don't look now
 There goes God
 In his sexy pants and his sausage dog
 And he can't stand Beelzebub
 Cos he looks so good in black, in black
 (verse chords for harmonica solo)
