

Crowe Boys - Simple Truth

tom:
Dbm (forma dos acordes no tom de **Bm**)
 Capostraste na 2ª casa

I remember standing on that corner
 Waiting to meet
 Standing there for hours and hours
 Just to watch you leave
 Woah, what have I done to myself this time?
 I've already lose the race and I haven't crossed the starting line
 The simple truth hurts
 Why don't you wait a minute?
 The simple truth hurts
 It's not so simple, is it?
 Woah-oh-oh, oh-oh-oh-oh, oh-oh-oh
 Woah-oh-oh, oh-oh-oh-oh, oh-oh-oh
 Now I'm standing on that corner
 Trying to preach
 I've been standing there for hours and hours

Oh, and nobody sees me
 Oh, what have I done to myself this time?
 Woah, cars and trains and life, they fly by
 The simple truth hurts
 Why don't you wait a minute?
 The simple truth hurts
 It's not so simple, is it?
 Oh-oh, I remember the first day you looked into my eyes
 Told me I no longer needed my disguise
 Woah-oh, everything was fine until I slipped away to show
 My life isn't as simple as black and white
 Woah-oh-oh, oh-oh-oh-oh, oh-oh-oh
 Woah-oh-oh, oh-oh-oh-oh, oh-oh-oh
 The simple truth hurts
 Why don't you wait a minute?
 The simple truth hurts
 It's not so simple, is it?
