Look at all the crazies sleeping in the square
They seem to be so lazy since some love affair
Drowned by years that come and go
Left them so mad

But have you seen the aliens invading our earth?
Fearful while sailing, violating some crop
They cannot hide the beauty behind
The circles on ground

Why can it scare?

I can feel it all around my thoughts
On entire universe
I can tell you secrets from the storm
A rainbow wherever you goes
Can tell you how it hurts
Can tell you why it worth
Whatever I know is wrong
Wherever I go there's love
