

Crumb - Ghostride

Tom: D
Intro: D D Gb D

D
Daydreaming, I stay in the backseat
The slow beat rocks me back to sleep, keeps me on automatic
D **D** **Gbm** **A** **D**
Press my face up close against the glass
I see the people, When they pass they move so automatic
D **D** **Gbm** **A** **D**
You wake up when I go down
The radio reminds me I'm alive
We've been hearing it all night
G **A**
Come on now, don't let this go
Don't let my love fade away

G **A** **Em**
People come and people go but i
D
Lazy day, I'm so hungry
You melt me like a candle in a flame
Gbm
But something is pulling you away
D **A** **D**
We've been stuck out here so long
Gbm
My phone rings and reminds me I'm alive
And I'm feeling kinda high
G **A**
Come on now, don't let this go
G **Gbm**
Don't let my love fade away
G **A** **Em**
People come and people go but i stay
