

Crumb - Ghostride

People come and people go but i

D
Lazy day, I'm so hungry

Gbm
You melt me like a candle in a flame
A
D
But something is pulling you away

D
We've been stuck out here so long
My phone rings and reminds me I'm alive
A
D
And I'm feeling kinda high

G
A
Come on now, don't let this go
G
Don't let my love fade away

G
A
Em
People come and people go but i stay
