

CRUZ - Time To Live Again

Tom: Bb

(forma dos acordes no tom de Gb)
Capostrate na 4ª casa

Everyday i wonder where i am gonna go
Get high as i could ever get and watch me fall

Every night i dream if heaven is a lie
And wonder where the truth will be before i die

Am i stil alive?
It's hard to say

There's no emotion
Without liberty
Ti-ime, time to live again

Time to live
And i'm not afraid to
Di-ie

It's a new begining
Oh it's time to live again

(Em D)

For every night i wish i wasn't so alone
There is another i regret who i brought home
Everyday i'm looking for some peace of mind
It's always easy to believe but hard to find

But we got time
Time to pay
With our emotions
For our liberty
Ti-ime, time to live again
Time to live
And i'm not afraid to
Di-ie
It's a new begining
Oh it's time to live again
What i got here
What is inside me
And i have nothing to hide
And why should i care?
At least i fought it
I'm not afraid to try

Time to live
And i'm not afraid to
Di-ie
It's a new begining
Oh it's time to live again
