Crystal Fighters - Love Natural

Tom: B

Intro: B E

B
Everyone, anyone who want to hear
                E
Move in a little closer, let me tell you about
A love natural
B
Oh that love actual
                              E
Love that you just can't help feeling
                                        B
When feelings with meanings keep on appearing

                                                E
And it's almost midnight, the time is coming up
                                                  B
The time is getting closer, the time is almost here
                                              E
Life is upon us and the time for love is here and now

B   E
  When I look at you, oh I feel my heart
     E   ...
Oh, I feel real love deep inside

B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special
B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special

Interlude B E //

B
Let me tell you something, oh
E
Something you may not believe, yeah
B
Oh, let me talk about this feeling
  E
Inside that's happening to me, oh

B   E
Oh yeah it's almost our time, the feeling's coming up

                                                B
The moment to get closer, the moment's almost here
                                        E
Life is upon us and the time for love is here and now

B(strum just once) B   E
  When I look at you, oh I feel my heart
     E   E E E ...
Oh, I feel real love deep inside

B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special
B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special

B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special
B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special

Abm   Gb   B   E
All the way, yeah we're moving, oh
                Abm   Gb
Gonna find our love today
           B   E
The love go on and on

                              Abm   Gb
And we're climbin' all the way to the top of the highest
mountain
B   E
Flyin' through the skies we've never seen before
          Abm   Gb
And we're divin' to the depths of the deepest ocean
B   E
Sailin' all the seas we've never seen before (seen before,
seen before...)

(Chorus x4)

B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special
B
Oh, love natural, I can't believe how you do it to me
    E
You make me feel, oh how you say, feel so special
