

# Cuco - Melting

Tom: **Ab**

**Ab**  
 You are my church, you are my place of worship  
**Cm**  
 I heard you're the plug, can I be the circuit?  
**Db**  
 When I got court, I hope that you're the verdict  
**Eb**  
 When you're around, my insides turn inverted  
**Ab**  
 My blood start to rush when I see you, darling  
**Cm**  
 I know you're nearby and I know your purpose  
**Db**  
 Take one look at you, you're heavens incarnate  
**Eb**  
 What is this spell baby, please show some mercy  
**Ab** **Cm**  
 Melting like an ice cream  
**Db** **Eb**

When you smile  
**Ab** **Cm**  
 Melting, you're a daydream  
**Db** **Eb**  
 Stay a while  
**Ab**  
 I pray that I can learn to be funny  
**Cm**  
 I am watching every stand-up comedy  
**Db**  
 Just hoping that it will rub off on me  
**Eb**  
 So you will smile at everything I say  
**Ab**  
 You got some soft lips and some pearly whites  
**Cm**  
 I wanna touch them with the dead of night  
**Db**  
 Your smile ignites just like a candlelight  
**Eb**  
 Then somehow I know everything's alright
