 You are my church, you are my place of worship

 Melting like an ice cream

When you smile
 Ab Cm
 Melting, you're a daydream

 Stay a while
 Ab
 I pray that I can learn to be funny
 Cm
 I am watching every stand-up comedy
 Db
 Just hoping that it will rub off on me
 Eb
 So you will smile at everything I say
 Ab
 You got some soft lips and some pearly whites
 Cm
 I wanna touch them with the dead of night
 Db
 Your smile ignites just like a candlelight
 Eb
 Then somehow I know everything's alright
