

# Culto Público - Vamos Todos Celebrar

tom:

Intro: D A Dm  
 1. Vamos todos celebrar  
 O novo que vai chegar  
 Com a Palavra nos fortalecer  
 E o novo tempo evangelizar

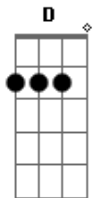

Jesus ontem, hoje e sempre  
 Quero ser fermento na tua missão  
 Compartilhar teu profetismo

Converte e transforma o meu coração

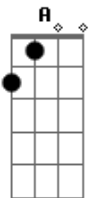

2. Nossa fé testemunhar  
 No mundo que aí está  
 União, diálogo promover  
 A sociedade vamos transformar

Jesus, limiar dos tempos  
 Um novo advento quero anunciar  
 Supremo amor, paz e justiça  
 Vida plena veio nos comunicar
