

Current Swell - Booze In Hell

Tom: Db

Well I'll pick you up and I'll through you on down the well.
 I'll pick you up and I'll through you on down the well.
 I used to be a good man as far as I could tell.
 And then I heard that they serve alcohol down in hell.

So now I'll shoot you in the head with a shot gun shell.
 Well I'll shoot you in the head with a shot gun shell.

Well I was good man but I've gone bad I figured i might as well.

Because heard that they serve alcohol down in hell.

It's booze in hell!

It's booze in hell!

Well I heard that they serve alcohol down in hell.

It's booze in hell!

It's booze in hell!

Well I heard that they serve alcohol down in hell.

So now I heard that they serve alcohol down in hell.

Well I heard that they serve alcohol down in hell.

So I killed myself so I could go. Well I figured I might as well.

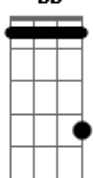

But then the taps were all dry.

And all the bars were all closed.

And they had no more alcohol to sell.
