## **Current Swell - I Want A Bird**

Tom: G G G I want a bird, I want a bird, to sing that song for me G С G I'm just sitting here, sitting here, waiting all impatiently G G If that bird, and if that bird, sings that song for me Fm G Then I will try to set her free Waiting all impatiently G A bird can fly when she wants to leave G G But when she decides now to stay with me G Then I will know it was meant to be, yeah Em G I've been searching, all my whole darn day Looking for what I can find I want a bird G When a sweet little bird came and flew my way And said, hey mister do you mind? Sings that song for me If I could sit right here, beside you And I sing my favorite song? And if you don't enjoy my company

## Acordes

Then I'll just ramble on I want a bird, (I want a bird) G To sing that song for me, yeah I'm just sitting here, (sitting here) But if that bird, (if that bird) sings that song for me, yeah Then I'll know, (then I'll know) I said I'll know it was meant to be, yeah To sing that song for me, yeah I'm just sitting here, (sitting here) Waiting all impatiently, yeah And if that bird, (if that bird) Then I will try to set her free A bird can fly when she wants to leave When if she decides now to stay with me Then I will know it was meant to be, yeah
