```

A   E
Tossing and turning, well I can't get back to sleep (riff3)obs
Em vez do Mi vc toca o riff
A   E
Tossing and turning, well I can't get back to sleep (riff3)
     B   A   E
In trouble with the law again, this time I think I'm in too
deep (riff3)
A   E
Well it wasn't my fault I say, just trying to have some fun
(riff3)
A   E
Well it wasn't my fault I say, just trying to have some fun
(riff3)

```
       B                          A                    E
So whats the problem officer, if I aint hurting any-one?
Check this out...

solo:
(1:24sec)                                                 riff3
                                                           riff3

----------------------|
```

So you know youre not right you come to my house and you break down my door (riff3)

So you know youre not right you come to my house and you break down my door (riff3)

So I hope to God Im standing there, the day when you finally get yours (riff3)

I said I hope to God Im standing there, the day when you finally get yours (riff3)
and youll get yours..
