

# Current Swell - Shelter

Tom: D  
Intro: D

It's so cold that I can barely even hold my own cup of coffee

It's no fair, I don't really care if you come around here now just to mock me

It's not a big deal some consider this a steal

All in good form, just trying to keep you warm

With the shelter of my arm, wrapped around your back

With a fake acting yawn that made you want to laugh

[Refrão]

All in good form ya ya ya  
Just trying to keep warm, Just trying to keep warm  
With the shelter of my arm ya ya ya  
Shelter of my arm, shelter of my arm

All in good form ya ya ya  
Just trying to keep warm, Just trying to keep warm  
With the shelter of my arm ya ya ya  
Shelter of my arm, shelter of my arm

A hundred stories told a hundred more to choose  
Got a heart of gold and a belly full of booze  
And he'll rock it till he's old like he did in his youth  
He'll do just what he's told unless he's told just what to do  
Cause we don't care and we'll tell you why  
Self made millionaire thrown everything in the sky  
We tell you why  
Oh tell you why

[Refrão]

All in good form ya ya ya  
Just trying to keep warm, Just trying to keep warm  
With the shelter of my arm ya ya ya  
Shelter of my arm, shelter of my arm

All in good form ya ya ya  
Just trying to keep warm, Just trying to keep warm  
With the shelter of my arm ya ya ya  
Shelter of my arm, shelter of my arm

[Solo]
