

# Cyndi Lauper - All Through The Night

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa G )

All through the night  
 I'll be awake and I'll be with you  
 All through the night  
 This precious time when time is new  
 Oh, all through the night today  
 Knowing that we feel the same without saying

Refrão:

We have no past we won't reach back  
 Keep with me forward all through the night  
 And once we start the meter clicks  
 And it goes running all through the night  
 Until it ends there is no end  
 All through the night  
 Stray cat is crying so stray cat sings back  
 All through the night  
 They have forgotten what by day they lack  
 Oh under those white street lamps

There is a little chance they may see

Refrão:

We have no past we won't reach back  
 Keep with me forward all through the night  
 And once we start the meter clicks  
 And it goes running all through the night  
 Until it ends there is no end

Instrumental:[igual aos primeiros 4 versos]

Oh the sleep in your eyes is enough  
 Let me be there let me stay there awhile

Refrão:

We have no past we won't reach back  
 Keep with me forward all through the night  
 And once we start the meter clicks  
 And it goes running all through the night  
 Until it ends there is no end  
 Keep with me forward all through the night  
 And once we start the meter clicks  
 And it goes running all through the night  
 Until it ends there is no end
