

# Cyndi Lauper - Grab a Hold

Tom: C

(Intro) C

C  
I'm gonna make a confession  
Am  
Gonna hope that you listen  
F  
I'm not a story you've read about  
C  
I'm just what I am

C  
And when you open your eyes up  
Am  
In the morning you rise up  
F  
Wash yesterday from your face  
C  
And make a new plan

Em F  
Ooooh it's my fascination  
C G  
With the anticipation

F  
If you wanna grab a hold  
C  
If you wanna grab a hold  
F  
If you wanna grab a hold  
C  
Let it go...

C  
I'm gonna write down a letter  
Am  
And maybe some day you'll get it  
F  
And know what I meant to say  
C  
And make it okay

C

And if you look at my picture  
Am  
You know the one on your dresser  
F  
And if you think that you see a frown  
C  
Turn me upside down

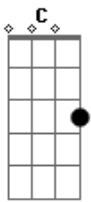

Em F  
Why don't you use your imagination?  
C G  
Make it what you have to make it

F  
If you wanna grab a hold  
C  
If you wanna grab a hold  
F  
If you wanna grab a hold  
C  
Let it go...

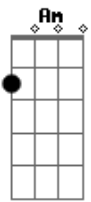

Am F  
You get your grip,  
C  
I'll hold you up  
Am F  
Just reach with your hand  
Em F  
And then use your imagination  
C G  
Make it what you have to make it

F  
If you wanna grab a hold  
C  
If you wanna grab a hold  
F  
If you wanna grab a hold  
C  
Let it go...  
F  
Let it go...  
C  
Let it go...
