

# Cyndi Lauper - Hot Gets a Little Cold

Tom: G  
Intro: G C G C Am D

G C G C Am  
Heaven, you say it could be heaven..but I don't really know..

D G C Am D  
lovers come and go.. when hot gets a little cold

Am G C  
Infatuation is just the great anticipation of starring in that picture show

G C D G C  
let's wait until the credits roll..when hot gets a little cold

G C Am C  
I could get carried away but not anymore..What was it I heard you say

Am D  
you love me'cause I'm strong, I hope that you're not wrong

G C G C Am  
Heaven, you say it could be heaven, well I don't really know

D G  
I'll try not to let show when hot gets a little cold..

C G C Am D G C  
lovers come and go.. when hot gets a little cold..when hot gets a little cold..

C G Am C  
I could get carried away but not anymore..What was it I heard you say

Am D  
you love me'cause I'm strong, I hope that you're not wrong

G C G C Am  
Heaven, you say it could be heaven..but I don't really know..

D G  
lovers come and go.. when hot gets a little cold

C G C G C  
when hot gets a little cold..when hot gets a little cold..
