

# Cyndi Lauper - I Drove All Night

Tom: **A**

**Eb E D A E**

I had to escape  
The city was sticky and cruel  
Maybe I should have called you first  
But I was dying to get to you  
I was dreaming while I drove  
The long straight road ahead, uh, huh

Could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside

Refrão:

I drove all ni-ght to get to you  
Is that alright  
I drove all ni-ght  
Crept in your room

Afinação: **Eb Ab Db Gb Bb**

Woke you from your sleep

To make love to you  
Is that alright

I drove all night

What in this world  
Keep us from tearing apart  
No matter where I go I hear  
The beating of your heart  
I think about you  
When the night is cold and dark

No one can move me  
The way that you do  
Nothing erases the feeling between me and you

Refrão

Could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside
