

Cyndi Lauper - I Drove All Night

Tom: A

Afinação: Eb Ab Db Gb Bb

Eb E D A E

I had to escape
 The city was sticky and cruel
 Maybe I should have called you first
 But I was dying to get to you
 I was dreaming while I drove
 The long straight road ahead, uh, huh

Could taste your sweet kisses
 Your arms open wide
 This fever for you is just burning me up inside

Refrão:

I drove all ni-ght to get to you
 Is that alright
 I drove all ni-ght
 Crept in your room

Woke you from your sleep
 To make love to you
 Is that alright
 I drove all night
 What in this world
 Keep us from tearing apart
 No matter where I go I hear
 The beating of your heart
 I think about you
 When the night is cold and dark

No one can move me
 The way that you do
 Nothing erases the feeling between me and you

Refrão

Could taste your sweet kisses
 Your arms open wide
 This fever for you is just burning me up inside
