

Cyndi Lauper - She Bop

Tom: C

Well I see them every night in tight blue jeans

In the pages of a blue boy magazine

Hey I've been thinking of a new sensation

I'm picking up good vibration

Oh she bop

Do I wanna go out with a lion's roar

I wanna go south and get me some more

Hey, they say that a stitch in time saves nine

They say I better stop or I'll go blind

Oh she bop she bop

She bop he bop a we bop

I bop you bop a they bop

Be bop be bop a lu bop

I hope he will understand

She bop he bop a we bop

I bop you bop a they bop

Be bop be bop a lu she bop

Oh oh she do she bop she bop

Hey, hey they say I better get a chaperone
 Because I can't stop messin' with the danger zone
 No, I won't worry, and I won't fret
 Ain't no law against it yet ??
