

Daði Freyr - Think About Things

tom:
 Baby, I can't wait to know
 Believe me, I'll always be there, so
 Though I know I love you
 I find it hard to see how you feel about me
 'Cause I don't understand you
 Oh, you are yet to learn how to speak
 When we first met
 I will never forget
 'Cause even though I didn't know you yet
 We were bound together, then and forever
 And I could never let you go
 Baby, I can't wait to know
 What do you think about things
 Believe me, I will always be there, so
 You can tell me anything and I'll listen
 When we are together

There isn't anywhere that I would rather be
 Three birds of a feather
 I just hope you enjoy our company
 It's been some time
 And though hard to define
 As if the stars have started to align
 We are bound together, now and forever
 And I will never let you go
 Baby, I can't wait to know
 What do you think about things
 Believe me, I will always be there, so
 You can tell me anything and I'll listen
 I might even know what to say
 But either way, at least I'll be there
 Baby, I can't wait to know
 What do you think about things
 Believe me, I will always be there, so
 You can tell me anything and I'll listen
