

# Daft Punk - Fragments Of Time

Tom: C

**Dm** Driving this road down to paradise Letting the sun light **Am** into my eyes.

**C** Our only plan is to improvise And it's crystal clear.

**Am** That I don't ever want it to end If I had my way I would never leave.

**C** Keep building these random memories.

**C** Turning our days into melodies But since I can't stay.

**Am** I'll just keep playing back These fragments of time.

Everywhere I go These moments will shine.

**Am** I'll just keep playing back These fragments of time.

Everywhere I go These moments will shine.

**Dm** Familiar faces I've never seen Living the gold and the silver dream

**C** Making me feel like I'm seventeen And it's crystal clear

**Am** That I don't ever want it to end If I had my way I would never leave

**C** Keep building these random memories.

**G** Turning our days into melodies But since I can't stay.

**Am** I'll just keep playing back These fragments of time.

Everywhere I go These moments will shine.

**Am** I'll just keep playing back These fragments of time.

Everywhere I go These moments will shine
