Intro: F Dm Am G F Dm

Am  
I didn't want to be the one to forget  
G  
I thought of everything I'd never regret  
F  
A little time with you is all that I get  
Dm  
That's all we need because it's all we can take  
Am  
One thing I never see the same when you're 'round  
G  
I don't believe in him, his lips on the ground.  
F  
I want to take you to that place in the Roche  
Dm  
But no one gives us any time anymore  
Am  
He asked me once if I'd look in on his dog  
G  
You made an offer for it, then you ran off  
F  
I got a picture of us kids in my head  
Dm  
And all I hear is the last thing that you said:  
Am  
"I listened to your problems, now listen to mine"  
G  
I didn't want to anymore

Am G F  
And we will never be alone again  
Em Dm  
Cause it doesn't happen everyday  
Am G  
Kinda counted on you being a friend  
Em Am  
Can I give it up or give it away  
G F  
Now I thought about what I wanna say  
Em Dm  
But I never really know where to go  
Am G  
So I chained myself to a friend  
Em Am  
'Cause I know it unlocks like a door  
G F  
And we will never be alone again  
Em Dm  
Cause it doesn't happen everyday  
Am G  
Kinda counted on you being a friend  
Em Am  
Can I give it up or give it away

It didn't matter what they wanted to see  
G  
You thought he saw someone that looked just like me  
F  
The summer memory that just never dies  
Dm  
We worked too long and hard to give it no time  
Am  
He sees right through me, it's so easy with lies  
G  
Cracks in the road that I would try and disguise  
F  
He runs the scissor at the seam in the wall

Dm  
He cannot break it down or else he would fall  
Am  
1000 lonely stars  
G  
Hiding in the cold  
F Dm
