

Dago Soares - Pietà

tom:
Dm

Rainha do Céu

Mãe do Cristo senhor

Senhora do mundo

Venho dizer que preciso

Da sua mão pra continuar

A vida não tem sido fácil tantas dores lutas

Estou sem forças pra caminhar

Desata todos nós que me amarram

Devolve me a vida

F Gm F F F7

Mae abraça-me agora

Bb C Bb

Me tome em seu colo senhora

Me dá seu amor

Me dá seu calor

Cuida da minha dor

F Gm F F F7

Mae abraça-me agora

Bb C Bb

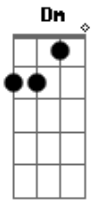

Me tome em seu colo senhora

Me dá seu amor

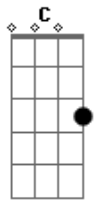

Me dá seu calor

Cuida da minha dor
