

Dagor Sorhdeam - Voluntários da Pátria

tom: Am

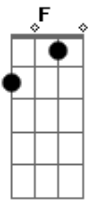

On the prow and safe, behind the lines
 In a proud rage, waiting for the slay at dawn, by rivalry
 Rain of fire in a sinful war
 Overrunning the fleet of the arch-fiend
 "Awake the cannons of the batteries" and

"Sustain the fire that victory is ours"
 In a sign by my hand is reposing the fortune of all
 Desperate measures are necessary
 Now, turn the table and ram all the war boats
 End this menace is my destiny
 Defeat by the disposition of the army
 Inside my thoughts, rage is away
 Behindhand, hope fades in the end
