

# Dagor Sorhdeam - Transfigured Fight

tom:

**Bm**

In our **Bm** blood runs the intolerance **G**  
 Against the **D** foreign gods and their inbred **A** beliefs  
 The innocents feed a vile quest for gold  
 I know, and I'll **Gb** keep you fighting

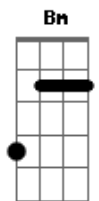

**Bm** **G** **D** **A**  
 Now is the time for deliverance  
**Bm** **G** **D** **A**  
 Taking my life for redemption  
**Bm** **G** **D** **A**  
 All of a sudden the lights went out

You know that the terror and pain precedes death

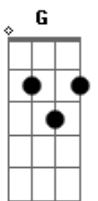

That's a tale we can't deny, we'll **F** rise  
**Bm** **G** **A** **F**  
 Witness the end of a new breed  
**Bm** **G** **A** **F**  
 Burning in a blaze of perdition

**Bm** **Em** **A**  
 Fear the gods of new creation  
**F** **Bm** **Em** **D** **A**  
 The heroes of our nation will rise beneath a sunrise  
**Bm** **Em** **A**  
 Fear the gods of new creation  
**F** **Bm** **Em** **D** **A**  
 The heroes of our nation will rise beneath a sunrise  
**Bm**  
 Shine
