tom:

Bm

In our **Bm** blood runs the intolerance **G**
 Against the **D** foreign gods and their **A** inbred beliefs
 The **Bm** innocents feed a **G** vile quest for **D** gold
 I know, and I'll **Gb** keep you fighting

Bm **G** **D** **A**
 Now is the time for deliverance
Bm **G** **D** **A**
 Taking my life for redemption
Bm **G** **D** **A**
 All of a sudden the lights went out

You know that the terror and pain precedes death

Em **A** **F**
 That's a tale we can't deny, we'll rise

Bm **G** **A** **F**
 Witness the end of a new breed
Bm **G** **A** **F**
 Burning in a blaze of perdition

Bm **Em** **A**
 Fear the gods of new creation
F **Bm** **Em** **D** **A**
 The heroes of our nation will rise beneath a sunrise
Bm **Em** **A**
 Fear the gods of new creation
F **Bm** **Em** **D** **A**
 The heroes of our nation will rise beneath a sunrise
