

# Daíra - Samsara

tom:  
Bm

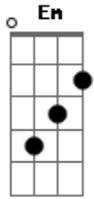

Uma farmácia em cada esquina não vai nos curar  
 Até que a palavra cura se decida  
 A larva é melhor que o larvicida  
 Pois o que dói talvez no meio se conflita  
 Curar a cura curará o curar?  
 Se eu mergulhar de vez no rio dessa fúria  
 Se eu distraí  
 Se eu me perdi

Eu me prendi  
 Na teia de fuligem que me trouxe aqui  
 Samsara  
 Despertar do eu  
 Samsara  
 O teu olhar me assanha e cega com essas coisas claras  
 Samsara  
 Quero viver  
 Samsara  
 A flor desse azedume, o lodo e mel dessa mamata
