

# Daisuke Ishiwatari - Let Me Carve Your Way

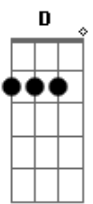

tom:  
**A**  
 I once had some sweet memories  
 Its worth remains the same  
 How can I remember those moments, sweetheart?  
 Tell me (tell me)  
 Tell me  
 If there's a man who can make anything

**G** Give me the tools to live in the past  
**Gm D**  
 It's all gone down so deep, I can't see anymore  
 If that's not the way to go  
 Let me, let me  
 Let me carve your way  
 I'm a shadow, always  
 With you
