

Dalva de Oliveira - Nossa Vidas

Tom: C

Como já fomos nós dois, tão iguais
 E como hoje em dia tornamos-nos tão diferentes
 Que a vida da gente se transformou

E até nossos beijos, parecem beijos de quem nunca amou

Não me compreendes mais, nem eu a ti
 É inútil continuar aqui
 Procure esquecer o endereço do meu apartamento
 Eis o desfecho depois da indiferença deve vir o esquecimento
