Dbm B

What you want and what you will

Dbm B

Working for your dollar bill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Walking home, ah you gets killed

Dbm B

Police free to shoot at will

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Nine to five you know the drill

Dbm B

Weekends are a shawty thrill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Come put it on over till it spill

Dbm B

Take until they've had their fill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Gbm Gbm

Some of us think we're too big

Gbm Gbm

Got a system, gives us jobs

Dbm Dbm

Even though it's just a low paying game

Dbm Dbm

Some of us will boast and brag

Gbm Gbm

And those of us who think we're small

Gbm Gbm

Just because we don't have much

Dbm Dbm

That's really not the case at all

Dbm Dbm

There's riches that the flesh can't touch

Gbm Gbm

Some of us won't respect names

Gbm Gbm

Some of us don't respect loves

Dbm Dbm

Some of us don't respect life

Dbm Dbm

Even though we worship God

Gbm Gbm

And some of us won't let go of faith

Gbm Gbm

No matter what the price may cost

Dbm Dbm

Some of us wan' practice hate

Dbm Db7

But I will still believe in love

Dbm B

What you want and what you will

Dbm B

Working for a dollar bill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Walking home, a child gets killed

Dbm B

Police free to shoot at will

Dbm B

Is grinding slow, but grinding still

Dbm B

Walking home, a child gets killed

Dbm B

Neighbours free to shoot at will

Dbm B

Hurts to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Nine to five, we know the drill

Dbm B

Weekends such a short-lived thrill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Dbm B

Come run it over till it spill

Dbm B

Take until they've had their fill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still

Gbm Gbm

Most of us think we're too good

Gbm Gbm

Just because material gain

Dbm Dbm

If we were living as we should

Dbm Dbm

Then less of us would be in pain

Gbm Gbm

Those who are misunderstood

Gbm Gbm

Still deserve a voice to claim

Dbm Dbm

The things that are still meaningful

Dbm Dbm

To each and all of us the same

Gbm Gbm

And some will say the cups are full

Gbm Gbm

And give your thumbs on what we've gained

Dbm Dbm

And some will say there's

Much more weight to pull

Dbm Dbm

And then we tell you

That straight up and plain

Gbm Gbm

And some will think outside the box

Gbm Gbm

While some of us will hold our lanes

Dbm Dbm

And some of us we write the facts

Dbm Db7

While some of us just don't care

Dbm B

What men want and what they will

Dbm B

Working for a dollar bill

Dbm B

Sad to see the old slave mill

A B

Is grinding slow, but grinding still
