

# Damien Rice - Back To Her Man

tom:

Intro: Em Am C B Em

[Primeira Parte]

The look of hunger in a woman with heat  
 Is enough to lift an old man from his knees  
 Like the piece of a puzzle  
 He's been lookin' for  
 He was leanin' to dyin'

Now he's comin' back for more

[Segunda Parte]

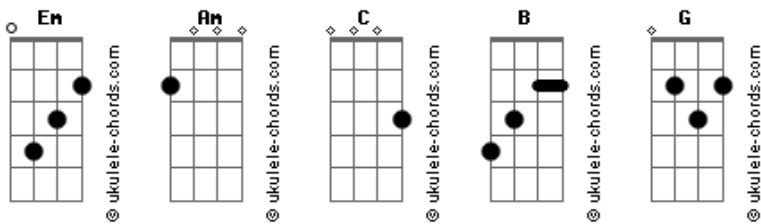

The look of a woman  
 When she gets you alone  
 You can't see what's comin'  
 But there's blood in your bones  
 There's powder in your pocket  
 And ships in your sea  
 Well it doesn't often happen

But it happened to me

[Refrão]

Then she goes back to her man  
 Back to her man  
 Back to, back to her man

## Acordes

[Terceira Parte]

There's a look of war in the way that you go  
 But the lead in your arrow is loose

Don't you know?  
 And all that you've got is lost in the game  
 Of picking your own pockets

For someone to blame

[Quarta Parte]

There may be nothin' above the art of love  
 Depending on who you're dreaming of  
 And you can't escape  
 When it feels like rape  
 But who's raping who?

[Refrão]

Then she goes back to her man  
 Back to her man  
 Back to, back to her man

She don't love him  
 She don't love him no more  
 Love him, love him
