This has got to die  
Abm  
This has got to stop  
Gbm  
This has got to lie down  
Am  
Someone else on top

E  
You can keep me pinned  
Abm  
It's easier to tease  
Gbm  
But you can't paint an elephant  
Am  
Quite as good as she

E Ab  
And she may cry like a baby  
Gbm Am  
And she may drive me Crazy  
E A  
Cause I'm lately  
Gbm B  
Lonely

E  
So why d'you have to lie?  
Abm  
I take it I'm your crutch  
Gbm  
The pillow in your pillow case  
Am  
It's easier to touch

E  
And then you think you've sinned  
Abm  
As you fall upon your knees  
Gbm  
Living in your picture  
Am  
Still forget the breeze

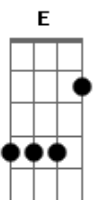

E  
And she may rise  
Ab  
If I sing you down  
Gbm  
And she may wisely  
Am  
Cling to the ground

E A  
Cause I'm lately  
Gbm B  
horny

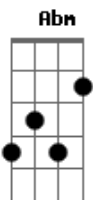

E A  
So why would she take me  
Gbm B  
only... (?)

E  
This has got to die  
Abm  
This has got to stop  
Gbm  
This has got to lie down  
Am  
Someone else on top
